In the perfect climate of beautiful Lower Kula, sits Hale O Na Pua flower farm; a completely fenced and gated 2-acre oasis close to all the amenities, yet a world away. The formal entryway for the main house ambles through a small garden past a waterfall and seating area around the firepit, with views of Haleakala. The beautiful single level two-bedroom, library, two-and-a-half bath home overlooks the lower portion of the property toward the West Maui mountains and ocean. There is a gourmet smart kitchen for the chef in you or the ease of a beautiful poolside breakfast bar with a pass-through window from the kitchen for your takeout and snacks. Next to the tiered vegetable and herb garden is a gorgeous new outdoor pizza kitchen with dining for 10. All of this looks over the crystal blue swimming pool across the expansive green grass to the Protea farm below. Whether you have guests or are looking for rental income, the private, two-bedroom, two-bath cottage with its separate gated driveway, sits up a slight slope away from the house. Among the many tasteful and high-end upgrades to the home are split air-conditioning, plank wood floors, custom tile bathrooms, updated kitchens, and owned photovoltaic system with 2 Tesla back up batteries. Private Davis Weather link station ensures precise monitoring of farm conditions. Private showings are available with a 48-hour notice.
