This unit diagram is preliminary, based on draft unit line work, grading information and archaeological survey, and remains subject to review and modification. Seller makes no representations or warranties regarding any final building layout and any setbacks or height restrictions depicted herein and no reliance should be placed on them. The locations and dimensions of the Building Envelope, Private, Transitional, and Natural Areas, other physical structures, pad elevation, and estimations of linear or square footages, depicted on this diagram are approximations. Owners/Tenants are advised to verify the same and other site conditions prior to commencing the design process by obtaining a survey from a registered surveyor. Rain garden requirements are approximate and preliminary. Capacity will be based on impermeable area of final design. Rain gardens to be located in the Unit Area. Refer to the Design Guidelines for more information.
