216U: September 25 - October 9: Enjoy an ocean view from this studio located on the shady north side of Tower 1. Autumn is one of the most enjoyable times of year to enjoy the island. Kids are back in school, many local residents travel during this time as it's the calm before the rush of the holiday season. The slower time of year makes it ideal for eating at your favorite restaurants, more elbow room on a catamaran or even shorter lines at the airport. The north side of Tower 1 is one of most private areas in the resort. Its location is shaded all day. The courtyard is bustling, the south side of Tower 1 faces Whalers Village but the north side of Tower 2 is quiet and cool. TIO studio 216 is your perfect piece of paradise.

Built in 1975
