Wailuku Country Estates, Wailuku, HI

This is a rare vacant lot listing in the coveted Wailuku Country Estates. This 2-acre flag-lot sits off the road and is blanketed by mature cook pines on two sides. This makes it the most private lot in the neighborhood and is a blank canvas for your dream home. The owner has graded and terraced the land to accommodate a luxury home site. This lot is NOT a CPR lot and allows you to build both a main and accessory farm dwelling if you desire to. Currently an active farm with dozens of plants and species. This lot comes with both a County of Maui water meter for domestic potable use but also a non-potable Ag water meter for your farm. WCE is one of the only Maui Ag communities on County sewer. Therefore, no septic using up valuable real estate. Call your favorite Realtor to take advantage of this exceptional opportunity.
