3 Bedroom, 1.00 Bathroom, 1,025 sqft
Residential on 0 Acres

N/A, Pukalani, HI

A diamond in the rough! 10,001 square foot level lot in a wonderful, quaint neighborhood! Land has a slight slope just in the back area of the property. This "Arizumi" style home has the large covered patio in the back that could easily be enclosed for a studio/ohana or to enlarge the main home. The laundry room just off the kitchen has a shower and bathroom that is not reflected in the county records. The spacious backyard has a great hollow-tile wall, for privacy, but if removed would open up the yard perfectly for a detached cottage! So many possibilities and great potential here! This home needs some TLC, but is in generally good condition for its age.

Built in 1970
