Residential on 2 Acres

Gordon Subd, Haiku, HI

This unique 2,784 sq. ft. western red cedar log home in Haiku, Maui, offers unparalleled elegance and breathtaking 360-degree views of the North Shore Ocean, West Maui Mountains, and Haleakala Crater. This 3-bedroom, 3-bath residence sits on a pristine complete 2-acre manicured lot located in a quiet secluded cul-de-sac - it is all ready for a CPR by a new owner. The primary suite is upstairs on the main floor, and it is adjacent to the main living room, dining room and huge kitchen. You enter via the custom-built staircase, greeted by very high cathedral ceilings, wood-burning fireplaces on both floors, and several hand-crafted stained-glass windows. The downstairs level has a separate bedroom suite with its own bathroom, a third bedroom or study, and another living room area and a shared third bathroom! The interior features Alaskan yellow cedar floors, natural slate flooring, and an abundance of oversized double-pane windows that provide plenty of natural light. The gourmet kitchen boasts granite counters, a large island with a built-in Dacor range, maple cabinetry, and a 48" Kitchen Aid refrigerator. Other amenities include a dumbwaiter from the garage to the kitchen, central vacuum, solar water heater, and Kohler bath fixtures. The bathrooms are adorned with soft-toned Saltillo tiles, floor-to-ceiling tumbled-marble walls, and granite and marble counters. An all-wood spiral staircase serves as both an engineering feat and a work of art. Outside, copper gutters

and a 700 sq. ft. oversized garage complete the property. The lot is all useable and the gardens feature an arboretum of native Hawaiian plant species fenced in its own pasture area, and a host of other fruit trees including: avocado, citrus and surinam cherries, along with star fruit, mango, loquat, acerola and white sapote.
