Must see—a true gem in the 4th Increment close to Maui High School and Kahului School. This is NOT a drive by! This spacious, bright, single-level 3 bed/2 bath home was rebuilt from the foundation-up in 2018. The main house offers a flexible floor plan that can function as separate living spaces (a 2/1, approx. 800 sf and a 1/1 of approx. 670sf. It shows As-New and is conveniently close to malls, shops, restaurants, hospital and medical offices, as well as minutes from County, State, and law offices. The property is located on a quiet, uncluttered street with no HOA or CC&Rs. Tile floors throughout, 5 split A/C units and the leased PV panels (and two backup batteries) keep the utility bill low. The kitchen features granite countertops and black stainless-steel appliances. A private front-yard with fruit trees surrounded by passion fruit vines and a cute sitting area with spectacular West Maui Mountain views. The rear lanai with an al fresco dining area under a gazebo opens onto the oasis-like landscaping with more citrus, banana, young fig trees and a herb garden. The main house boasts 4 off-street parking spots. The very private ohana with 9-foot ceilings also benefits from PV panels and a backup battery. The ohana carport is a lovely and unique bonus living space also created by the tenant. Both Sellers hold an active Hawaii Real Estate License, one of whom is the Listing Agent. The ohana has its own dedicated parking spaces.
