Elevate your Maui lifestyle to this beautiful Upcountry area. You will enjoy cool temps year-round that do not require air conditioning.

Located a mere 10 min. drive to Pukalani and Makawao, where all shopping, schools and other conveniences are found, 40 Kauai Place has a lot to offer. With over a half-acre of Rural-zoned land there is plenty of room for gardening and other outdoor hobbies. The 3-bedroom, 3-bath main residence offers a flexible floor plan that could come in handy for extended family living and enjoys spectacular bi-coastal ocean and mountain views. The large solar PV system has a grid-tied pre-paid lease to keep your power bills to a minimum. Fire-up the classic wood-burning stove in the living room on cozy winter nights.

Renovations over the years included an upgrade to all new double pane windows, new flooring, new kitchen and baths. The new detached cottage is "wrapped" by a privacy wood fence and enjoys stunning north shore ocean views from the covered lanai. With its high ceilings and contemporary finishes plus the attached garage, it has made a clever addition to the property and a wonderful rental unit. A modern septic system was installed in 2020 to service both house and cottage. The neighborhood is peaceful and exudes a sense of close-knit community with many long-time residents and no through traffic. Call today for a private showing. While drive-byes are ok, please do not disturb residents. (Note that Main House Dining room and Family room

photos are digitally staged).
